

# CHICKEN HOCK AND NECK CUTTER

## Model CPE

**The Jarvis Model CPE - pneumatically powered hock and neck cutter for chickens, turkeys, ducks, geese and game birds.**

# JARVIS

- The Model CPE is the fastest, most durable, chicken hock and neck cutter of its size.
- No springs - pneumatic blade closing and opening insures no down time due to spring failure.
- Operator fatigue is reduced by the unique air trigger system.
- More power - the Model CPE does not have to overcome springs; all air pressure is converted into cutting force.
- Rugged construction for low maintenance.
- Constructed from corrosion resistant materials for optimum hygiene.
- Meets national and international requirements for safety and hygiene.

**MECHANICAL TRIGGER - DURABLE - NO SPRINGS**

# TURKEY HOCK AND NECK CUTTER

## Model CPP

### Specifications

Drive Pneumatic

#### Model CPP
